

# Heart Of Mine

**Bobby Caldwell**

One day I may find true love that will last forever and ever  
Till then I'll spend a lifetime wishing us together  
I never thought she'd say goodbye  
And I'll never understand the reason why  
Heart of mine  
How will you keep from dying  
Stop reminiscing  
Who is she kissing  
Heart of mine  
Oh what's the use in trying  
No one can mend you know  
Oh love plays cruel games  
I can't believe she'd found another to love her  
Does she miss me?  
Sometime I just can't help but wonder  
If I could stop the hands of time  
Then I'd know she'd always be forever mine
