

I Need Your Love

Bobby Caldwell

You used to be mine
But not anymore
I said goodbye to you
And I walked out the door
Took you for granted girl
Didn't know what I had
Now I want to get you back
Baby so bad

I need your love
And I'm not afraid to say
I was wrong and I can't live this way
I need your love
And to prove to you I do
Let me make it up to you

I was so blind
That I couldn't see
You were the best thing girl
That happened to me
Without you in my life
All the music is gone
Girl won't you take me back
Where I belong

I need your love
And I'm not afraid to say
I was wrong and I can't live this way
I need your love
And to prove to you I do
Let me make it up to you

There'll be no tears between us darlin'
I'll do right by you this time
Please say that you forgive me girl
Let's look ahead and leave the hurt behind

I need your love
And I'm not afraid to say
I was wrong and I can't live this way
I need your love
And to prove to you I do
Let me make it up to you
