

Let It Be Me

Bobby Caldwell

I bless the day I found you
I want to stay around you
And so I beg you, let it be me

Don't take this heaven from one
If you must cling to someone
Now and forever, let it be me

Each time we meet, love
I find complete love
Without your sweet love
Honey, what would life be?

Don't ever leave me lonely
Tell me you love me only
And that you'll always let it be me

Each time we make love
I find complete love
Without your sweet, sweet love
Honey, what would life be

Don't take this heaven from one
If you must cling to someone
Now and forever, let it be me

I bless the day I found you
And I want to stay around you
And so I beg you, let it be me
