

Our Day Will Come

Bobby Caldwell

Our day will come

Our day will come
And we'll have everything
We'll share the joy
Falling in love can bring
No one can pull us apart
And time will show
I love you so
And you love me

Our day will come
If we just wait awhile
No tears for us
Think love and wear a smile
Our dreams have magic because
We'll always stay in love this way
Our day will come

Our dreams have magic because
We'll always stay in love this way
Our day will come
Our day will come
Baby, our day will come
Our day will come
Baby, our day will come
Our day will come
