

Smile

Bobby Caldwell

Smile, though your heart is breaking
Smile, even though it's aching

When there are clouds in the sky, you'll get by
If you smile through your pain and sorrow,
Smile and maybe tomorrow,
You'll find the sun come shining through for you

Light up your face with gladness
Hide every trace of sadness
Although tears maybe ever so near
That's the time you must keep on trying
Smile, what's the use in crying
You'll find that life is still worth while
If you'll just smile..

That's the time you must keep on trying
Smile what's the use in crying
You'll find that life is still worth while
If you'll just smile.
