

## How About Me

**Bobby Darin**

It's over, all over  
And soon somebody else  
Will make a fuss about you  
But how about me?

It's over, all over  
And soon somebody else  
Will tell his friends about you  
But how about me?

You'll find somebody new  
But what am I to do?  
I'll still remember you  
When you have forgotten

And maybe, a little baby  
Will climb upon your knee  
And put it's tiny arms around you  
But how about me?  
How about me?
