

# I've Never Been in Love Before

**Bobby Darin**

I've never been in love before  
Now all at once it's you  
It's you forevermore

I've never been in love before  
Kinda thought my heart was safe  
I thought I knew the score

But this is wine  
That's all too strange and strong  
I'm full of foolish songs  
And out my song must pour

So please forgive  
This helpless haze I'm in  
I've really never been  
In love before

But this is wine  
That's all too strange and strong  
I'm full of foolish songs  
And out my song must pour

So please forgive  
This helpless haze I'm in  
I've really never been  
In love before
