

## Wear My Ring

**Bobby Darin**

Wear my ring on your finger  
Wear my love within your heart  
And say, you'll always be  
As much in love with me as at the start

Wear my ring on your finger  
And make this solemn vow  
That you will always be  
As much in love with me as you are now

And when we're old and we're gray  
We will still have this day  
To remember when December comes in May

Won't you wear my ring on your finger?  
Proving that love is ours to share  
You're mine to have and hold  
Just like this ring of gold you wear
