

## Beautiful People

Bobby Goldsboro

You've just got to be one of the most  
Beautiful people in the whole wide world  
It's true - it's true - it's true  
I love you

You're so easy to make conversation with  
And nobody else can please me that way  
No one can say that you're a wallflower  
Cause you've always got something groovy to say

You've just got to be one of the most  
Beautiful people in the whole wide world  
It's true - it's true - it's true  
And I love you

Talk about a girl with a sweet disposition  
You oughta have a room full of ribbons  
And wear 'em in your hair  
every day of the week for me

People turn around they know we're the happiest  
People today in this whole town  
And it's no wonder that they kinda wonder  
If we're not the grooviest couple around

You've just got to be one of the most  
Beautiful people in the whole wide world  
It's true - it's true - it's true  
And I love you

La la la la...

You've just got to be one of the most  
Beautiful people in the whole wide world  
It's true - it's true - it's true  
I love you

I do - I do - I do  
I love you

La la la la...
