

For The Very First Time

Bobby Goldsboro

Anywhere that you go I'll follow along
I'd be a fool to keep on singin' my own song
I never thought about love up until now
I guess it's time I started learnin' how

You smiled at me and "give in" swelled inside my mind
For the very first time
I thought of lovin' things I want them to be yours and mine
For the very first time I find myself in love
"Ain't no such thing as always" I used to say
But now that I've found you, here is where I'll always stay
You know how much I need you, I know myself
I'd rather miss you, darlin', than be with someone else

Anywhere that you go I'll follow along
Anywhere that you go I'll follow along
