

I Know You Better Than That

Bobby Goldsboro

You know, you say you love me
You're never gonna leave
But I know, baby
You got something up your sleeve

I know you better than that
(I know you better than that)
I know you better than that
(I know you better than that)
I know you better than that
I've been keeping my eyes on you

Well, you know, you
You want me to be your slave
I tell you, baby
You just better behave

I know you better than that
(I know you better than that)
I know you better than that now
(I know you better than that)
I know you better than that
I've been keeping my eyes on you

Well, I've been keeping
My eyes on you all day
Just to make sure
You didn't go astray now

I watched you talk
To every boy in town
Now I'm gonna put my foot down

You think you
You're slipping round
And being so cool
I tell you, baby
I ain't nobody's fool

I know you better than that
(I know you better than that)
I know you better than that now
(I know you better than that)
I know you better than that
I've been keeping my eyes on you

Well, I've been keeping
My eyes on you all day
Just to make sure
You didn't go astray now

I watched you talk
To every boy in town
Now I'm gonna put my foot down

You think you
You're slipping round

And being so cool
I tell you, baby
I ain't nobody's fool

I know you better than that
(I know you better than that)
I know you better than that now
(I know you better than that)
I know you better than that
I've been keeping my eyes on you

Well, I know you better than that
I've been keeping my eyes on you
Walk on
