

Big Booty Judy

Bobby V

Feelin' real good, pocket full of hundreds
Got 'em all lined up, I could have 'em if I wanted
So, tell me what I'm gone settle down for?
And why should I go the whole night for?
I know that I'm not ready to have
My lovin' on lock down, no
My lovin' on lock down, no
For only one night

Tell me if you're down
Wanna hear the sound of us love makin'
Just me and you
Tell me if you're down
Wanna hear the sound
She make me say her name

Big Booty Judy
Do somethin' to me (She do somethin' to me)
Big Booty Judy (Big booty)
Do somethin' to me
And when she make it drop, everybody stop
Body so bad see if from the parking lot
Big Booty Judy
Big Booty Judy

We started dancin'
Kissin' and romancin'
You whispered in my ear and said,
"You gotta work for this if you want it"
She's a prototype, just the kind I like
Nobody does it better, baby, no

Big Booty Judy
Do somethin' to me (She do somethin' to me)
Big Booty Judy (Big booty)
Do somethin' to me
And when she make it drop, everybody stop
Body so bad see if from the parking lot
Big Booty Judy
Big Booty Judy

Tell me if you're down
Wanna hear the sound of us love makin'
Just me and you
Tell me if you're down
Wanna hear the sound
She make me say her name

Big Booty Judy
Do somethin' to me (She do somethin' to me)
Big Booty Judy (Big booty)
Do somethin' to me
And when she make it drop, everybody stop
Body so bad see if from the parking lot
