Bobby V

Hanging out with your girlfriends  
It's supposed to be our day (yeah)  
We going through a rough patch  
I'll be damned if you walked out on me  
Don't believe all the rumors  
They out just to get us  
They out just to split us  
We put too much into this, baby

Oooo, I'm not gon tell you no lie  
Oooo, for your love baby I'll die  
Ohhh oooo, I'm tired of being denied  
I need you here by my side  
'Cause you are my ride or die

I'm obsessed with you too much  
No way ima let you go  
24/7 isn't love (not enough, ain't enough)  
I'm obsessed with you too much  
No way ima let you go  
24/7 isn't love (not enough, ain't enough)  
Ohh no, no way (ima let you go)  
Ohh no, no way, no no (ima let you go)  
Ohh no way, no (ima let you go)  
Ohh no, no way, no no (ima let you go)

The hell with the media  
In the dark they try to keep ya  
But ima rise like a phoenix  
I need you to go through the storm with me  
Brand new like a remix  
If you down we can make it  
I'll cover you 'cause I can take it  
Up and down, here we go

Oooo, I'm not gon tell you no lie  
Oooo, for your love baby I'll die  
Ohhh oooo, I'm tired of being denied  
I need you here by my side  
'Cause you are my ride or die

I'm obsessed with you too much  
No way ima let you go
