

## Cross My Heart

Bobby Vee

There's no one for me but you  
Believe me (believe me)  
I'll give all my love to you  
Believe me (believe me)

Cross my heart and I hope to die  
I won't change as the time goes by  
My love will grow, just don't you  
Go and leave me (leave me)

I feel so good whenever  
You are near me (near me)  
I pray that you will stay  
Forever near me (near me)

Don't lemme down, don't go  
Don't play games with my heart  
Please say that you won't go  
'Cause I couldn't stand it  
If we were apart

Oh, the things you do are all  
The things that please me (please me)  
I hope you'll always be the one  
That needs me (needs me)

Cross my heart and I hope to die  
I cross my heart, I won't make you cry  
Cross my heart and I hope to die  
Cross my heart, I won't say goodbye
