

Foolish Tears

Bobby Vee

Foolish tears, why do you flow so free
Foolish tears, look what you've done to me
Why don't you go away and let me be
So I can have a heart that's free

Love is a funny game and everyone can't win
That's the way that it has always been
For there's a chance your broken heart will want to try again
So why waste your time on foolish tears

Life can be beautiful if you will let it be
So put the stars back in your eyes and set your poor heart free
That will break the spell of love and chase away your tears
So you can end your lonely years

That will break the spell of love and chase away your tears
So you can end your lonely years
So you can end your lonely years
