Bobby Vee

Yeah

If you don't wanna love me  
You don't wanna love me  
If you don't wanna love me  
You don't wanna love me

I got memory and the world is back, one dream  
And I, looking for someone a little more different, yeah  
I've been her one  
I've been her twice  
Close and turning in middle of her eye  
And a little she is wrong  
And a little she is right  
I hope you won the won  
The second her no more

If you don't wanna love me  
You don't really love me  
Tell me if I nothing for my girl  
Do you really love you  
Way see I love you  
Wondering of not for my girl  
My girl (4x)  
Wondering of not for my girl

If you don't wanna love me  
You don't wanna love me (come on)

Baby I know that you feel you can't deny  
But I, gotta keep my guts with hope deny (yeah)  
Hope you really love me  
Baby I'll be searching  
Tryna find the girl like you  
I hope that I know playful  
It's all my life  
It's just like you

And when you are on my eyebrow  
And wear first time

In my heart in your hand  
Let me little way  
On your bitter bad way  
So baby don't you play

Now put my heart in your hand  
Let me little way  
On your bitter bas way  
So let me let you play

If you donrt wanna love me  
You donrt really love me  
Tell me if I not for my girl  
Do you really love you  
Way see I love you  
Wondering of not for my girl
