## Since I Met You Baby

Since I met you baby My whole life has changed Since I met you baby My whole life has changed

And everybody tells me That I am not the same

I don't need nobody To tell my troubles to No, I don't need nobody To tell my troubles to

'Cause since I met you, baby All I need is you

Since I met you, baby I'm a happy man Since I met you, baby I'm a happy man

I've gotta try to please you In every way I can **Bobby Vee**
