Well...All Right

Bobby Vee

Well, all right so I'm being foolish Well, all right let people know
About the dreams and wishes you wish
In the night when the lights are low

Well, all right, well all right
We'll live and love with all our might
Well, all right, well all right
Our lifetime love will be all right

Well, all right, so I'm going steady It's all right when people say That those foolish kids cant be ready For the love that comes their way

Well, all right, well all right
We'll live and love with all our might
Well, all right, well all right
Our lifetime love will be all right

Well, all right, well all right
We'll live and love with all our might
Well, all right, well all right
Our lifetime love will be all right
