

Forget Me Not

Bobby Vinton

Forget me not, this is my only prayer
Here is the love we were both born to share
You're my dream come true
So whatever you do
Forget me not (forget me not)

Forget me not, let the days turn to years
And if we ever cry, we'll cry happy tears
And when we're old and gray
You'll still hear me say
"Forget me not" (forget me not)

Forget me not
Forget me not
You're my dream come true
So whatever you do
Forget me not (forget me not)

Forget me not, let the days turn to years
And if we ever cry, we'll cry happy tears
And when we're old and gray
You'll still hear me say
"Forget me not" (forget me not)
(Forget me not)
