

Tina

Bobby Vinton

Tina, only Tina has a secret that glows in her eyes
Tina, only Tina hides her secret, but my heart is wise
She needs more lovin' than I have to give
So she does crazy things I can't forgive

Tina, only Tina is a wild and a wonderful thing
But she'll never know the feelin'
And the joy only true love can bring
Lonely Tina, lonely Tina doesn't know what my true love can bring

Tina, only Tina is a wild and a wonderful thing
But she'll never know the feelin'
And the joy only true love can bring
Lonely Tina, lonely Tina doesn't know what my true love can bring
Lonely Tina
Lonely Tina
Lonely Tina
