

## Street Lobotomy

Body Count

Drugs, liquor, drugs

I love to smoke crack  
I love to shoot smack  
I love to fuckin' drink  
I love my smoke when it stinks  
I need it in my veins  
I need it in my brain  
What has it done to me  
Street lobotomy

My brain - melted - down  
Brain - melted - down - lobotomy

Need some more dope man  
Yeah got  
Any acid dude  
Got any ludes

Drugs, liquor, drugs?

I love to do blow  
That's the way to go  
You got some PCP?  
How 'bout some LSD?  
I'm havin' lots of fun  
I might as well use a gun  
Don't even ask my why  
Maybe I wanna die
