## **Surviving The Game**

## **Body Count**

Yeah Yeah Murder, death As I search to analyze reality, the true Meaning of life, Out simple existence means nothing God has a gun, the truth, life is a slow noose He's invincible Better watch his knife, There is no escape from the slow kill When it's time to go god serves a death blow, You have no choice, don't even try The only choice is suicide Surviving the game No escape No one's ever escaped Die
