Bomfunk MC's

B-Boys, fly girls throw your hands in the air
Aah yeah, like you just don't care

Old skool sounds, come down blastin'
All the homies in the house, you know they be maxin'
Coolin' out with style like back in the days
Representin' the skills, puttin' suckers in their place
Funky fresh with the most finest
DJ cuttin' records, so you could impress
All the fly girls, yeah-the sexy ladies
See, ain't no doubt about what's happening later

Two turntables and a microphone
That's all we need to rock on the show
