

### 3 Minutes in the Brain of Bonaparte

Bonaparte

Boom-Boom, can you hear me? Calling out your name.  
Boom-Boom, can you hear me? Calling out for you.

Who am I? And if yes, how many?  
What is the answer, what if, there isn't any?  
Is it One or two, end when does now begin?  
How long is temporary and is standing here a sin?

If nothing last forever, say, can I be nothing?  
And if forever ends, will we dance the pain away?  
Is this all there is, or is there more to it  
and if I can't touch it, than whose place is it?

If the answer is one, I know I want to  
How can you tell, you're not me and I'm not you?  
I mean really, if I was you, and you were me,  
do you think things, will be, the way they are, lets say

If I was a woman, and you were a man  
You would do things, I don't understand  
You say "Boo Boo Boo", and I think "La La La",  
Mabe "Boo" will mean "Ja" or just "Blah Blah Blah"

Anyway  
You say something, I think something else  
you know  
There's nothing wrong with that, it's just the way it goes  
Am I safer in first class, am I ready to kill?  
If I look at you long enough, would time stand still?

Boom-Boom, can you hear me? I'm calling out your name  
Is there someone out, who listening?  
Or are you busy busy busy?  
Boom-Boom, can you hear me? I'm calling out for you  
Knock, knock, knock, is someone in your head?  
I just think about what you said

Is this it:  
What will I think, when I'm breathing my last  
Am I too slow, or is everyone else too fast?  
If I'd known I was going to live this long  
I'd better care of myself, my son

If nothing last forever, say, can I be nothing?  
And if forever ends, will you still answer the phone?  
I for one know, if you don't laugh with yourself, this life will last so much longer, than you like

Boom-Boom, can you hear me? I'm calling out your name  
Is there someone out, who listening?  
Or are you busy busy busy?  
Boom-Boom, can you hear me? I'm calling out for you  
Knock, knock, knock, is someone in your head?  
I just think about what you said

Who am I? And if yes, how many?  
What is the answer, what if, there isn't any?

Is it One or two, end when does now begin?  
How long is temporary and is standing here a sin?
