

## Do Or Die

Bonfire

All things must pass - if we like it or not  
We're just a part of creation  
Love is the answer - when hate rules the world  
One step away from damnation  
Life is a wasteland - with intoxication of mind  
Blood is one colour - just open your eyes humankind  
Do or die - it's time to make a change  
Do or die - it's high time to rearrange - your life  
Truth is the sign of the lessons we've learned  
A mirror of all good and evil  
Hope is the anchor - when we're tossed and turned  
Nature's reaction's primeval  
Some people say we are just a thorn in their side  
Open your eyes - those who seek will easily find  
Do or die - it's time to make a change  
Do or die - it's high time to rearrange - your life
