

Give It a Try

Bonfire

Like a lonely wolf
howling in the night
calling for you
Time is passing by
and I'm feeling so sad
the wounds of love won't heal
I'm running around in circles
'cause we don't talk anymore
now I walk these streets alone
straying in the night - searching for you

CHORUS

Give it a try - for a second time
don't you know I missing you
Give it a chance - for a second romance
don't you know I love you
I thought our love is strong
but now I know I was wrong
wrong all the time
We said we'll draw the line
but it's hard to forget
all those memories

CHORUS 3x
