

Rich Wife Full Of Happiness

Bonnie 'Prince' Billy

All and all is one thing today
One good effort made on its way
To take in a love and pass on a feeling
Of heart in chest slowly unpeeling

Lilly can take it with a smile and not a frown
In the room where she lives blessed I guess
She wears my favor and shows it around
And in doing so I too get blessed

Rules explode and we call her mine
And she has my baby and things are fine
She can't hold her eyes still or her voice
The way nooses hold necks still in excellent poise

Lilly can take it with a smile and not a frown
In the room where she lives blessed I guess
She wears my favor and shows it around
And in doing so I too get blessed

Jug holds a gallon and you hold my arm
And I hold a million in bottle and yarn
And gem isn't sacred when mother has breathed
You know, you told me that

A shark and a dog, now you're laughing
The dog licks the shark dry in your photographing
And I lick you dry until you are laughing
My finger is in your behind

I woke up fat and almost unhappy
But the bigger the laugh the bigger the belly
And I bellow out and the whole bed it shakes
And you smile at my laugh as it rocks you awake
