Boogie Down Productions

Hah giddyap!

Another dope dope dope style
By the massive BDP crew
Of course I will now present to you
A different view for 1990
Of course eighty nine is behind me

It's KRS-One, yes the t'cha I wear Clarks and only Nike sneaker In your speaker, is the new style Dedicated to the intelligent child In the front row, or behind me We're gonna pull somebody file for the 90's You want lyrics? We come correct BDP, only movin with respect The other MC's, they can't believe me A when I rhyme it sound just like a CD We don't lip-sync, we go all live On stage, I bring about four or five That's D-Nice, Sydney, and Melodie And myself, Harmony, and Willie D We come humble, we just grumble While other MC's crew just crumble They want DANCERS, they want lighting They want effects, to make them look exciting But it's frightening, cause without that The whole crew, is whick whick whick whack BDP comes, with the cheapest And perform miracles like Jesus The total respect, we achieve it And the big head-liner can't believe it

It's called breath control, breath control, breath control stylee Breath control a-lone, breath control A-LONE Breath control, breath control, breath control stylee Breath control a-lone.. get ready for the break..

Ha ha ha ha hah
Well the styles I, usually dish out
Are so dope that you don't want to miss out
We got PAGES, of the dope stuff
So in the record store, you can't pass by us
GET the album, HEAR THE MUSIC
And hold on so you just don't lose it
As a reference, for any MC
That want to test, K-are-S, O-N-E
Cause I've been watchin, these other rap groups
They walk around like they're some kinda big soup
You can't touch them, you only see them
In a arena or big coliseum

So when you watch them, for a second
Them sound NUTTIN like they do on record
Them sound cheesy, them sound wheezy
For twenty dollars boy you know them never please me
So I see this, and prevent this
It's like goin for a checkup at the dentist
'Cause when you come to a BDP performance
The microphone, had better have endurance
'Cause we'll check it, and then wreck it
And then the soundman has got to accept it

Because it's breath control, breath control, breath control stylee Breath control a-lone, breath control A-LONE Breath control, breath control, breath control stylee Breath control a-lone, take it out
