

Four Track Dub

Boomkat

Yea yea yea
Yea yea yea
Yea yea yea

It's kinda dark in here
The music soothes my ears
It sucked me right inside
The board drags on my mind

The music is to blame
But we are the same
The music is to blame
But I'm feeling a little strange

Yea yea yea
Yea yea yea-yea
Yea yea yea

Oh I am waiting (come here)
The buttons that push
And oh I'm debating
Which switch is the switch
Change your pitch
Boy change your pitch, or louder
See I try to grab a glimpse of this boy
Who's got me pissed (come here)
I know the music that you're making
Is more than just for fame

The music is to blame
But we are the same
Can't you see
The music is to blame
But you're playing stupid games

Yea yea yea

I'm only happy when it plays
I'm only happy when the music plays
I'm only happy when it plays
Ohhhh, oh yeah

I'm stuck in a forge like I can't shut down
Surrounded by folk horns and rippling sound
Change might be tumbling down
And if these lyrics were liquor
We'd probably drown

The music is to blame
But I'm feeling a little strange, strange, yeah
Strange

See if I was to meet you
You know that we'd have harmony
Between, between
If I was to meet you
You know that we'd have harmony

Between, between you and me
Between you and me
Hey yea hey yea hey yeah
Between you and me
Hey yea hey yea hey yeah

The music is to blame
But we are the same
The music is to blame
But I'm feeling a little strange
