

Party Lick-A-Ble's

Bootsy Collins

Keep that funk alive

Keep that funk alive

Give hound another high

Keepin' that funk alive

Keep that funk alive

Keep that funk alive

No matter how hard you try

You gotta keep that funk alive

Say yeah party shakers

Yeah!

Are you ready to shape up and get live

We're live, we're live

Come over here all you party shakers

It's time to line up for the side by side, buba

Say, say, say, say, say, say

You want to get down baby

Till you get down baby with the emotion

Hey party people

Let's wind it up one more time

Yeah, yeah

Let's feed me chocolate

Put it in my mouth

So great for my appetite

Don't let it run all now

Just wind it up

Just wind it up

Just wind it up one more time

Say yeah party shakers

Yeah!

Are you ready to shape up and get live
Just wind it up
Just wind it up
Just wind it up one more time
Yeah, yeah
Who's gonna get on down
Bootsy, Bootsy
Who's gonna get on down
Bootsy, Bootsy
Who's gonna get on down
Bootsy, Bootsy
Who's gonna get on down
Bootsy, Bootsy
Oh, so lickable buba
You're so nice and thick and chocolikin'
Move me inside
Red, yellow, green, it all tastes good
How about a little mouth to mouth baby
Nice and thick and chokolikin'
Put it in my mouth
So great for my appetite
Don't let it run all now
I'm a little stripper, all day tripper
Just let me lick for free
Heartbreaker, all day shaker
Live in love then lettin'it be
Oh, so lickable baby
Junk and juicy
All my brains are Afro-sheen
And let's turn this mutha out
So you know what I've been doin'

Move over, Rover

Let the funk take over
