

Subliminal Seduction

Bootsy Collins

I want your body
I want your mind
I want you lovin' me all the time
I need some kisses
I need your touch
I wanna squeeze you
Till I've had enuff
Call me on the phone
You got me talkin' dirty
Paintin' pictures
Color me wordy
You always get me hot
Want to burn what you got
You use subliminal seduction
Oh, IN-DU-BA-DA-BLEE
You use subliminal seduction
I use my body
The way that I want to
Right now I'm hot
You know that I want you
I want the treble
I want some bass
I'll put my music
All in your face
Gimme some kisses
I need your touch
I wanna squeeze you
Till I've had enuff
You use subliminal seduction
(Funk me dirty)
You use subliminal seduction
(Dancin' with you)
I use my body
The way that i want to
Right now I'm hot
You know that I want you
I use my body
To get next to you
I need some lovin'
Won't you see me thru
(So move your body)
(So make it shinin')
(Good evening!)
Funk me dirty
Oh, funk me dirty baby
(Horns, horns!)
Call me on the phone
You got me talkin' dirty
Paintin' pictures
Color me wordy
It only happens when I'm
Dancin' with you
