Just another shot, another shot, yeah I'm havin fun  
I just wanna kill them all one by one  
Take 'em down, take 'em down, make□ 'em drown

I'm killing all these memories

KILL THEM ALL  
KILL THEM ALL

I just wanna kill them all one by one  
Just another shot, another shot, yeah I'm havin' fun  
I just wanna kill them all one by one  
Take 'em down, take 'em down, make□ 'em drown

I'm killing all these memories  
I'm killing all these memories
