

infinite metamorphosis connecting worthlessness
"AKUMADEMO AKUMANONAI"
won't be weathered away
keep on being
hate formulas
worthless rites

Distorted intentions
EVIL intentions

do not resist, eat up the will
up above the awareness
sand storming
I will keep on being

no need for forced logic

want to achieve this wicked formation
deform the sign of retaliation

with the light of the rite
let it come out

want to get ecstasy from this wicked formation
deform the sign of retaliation
