

Tu, La La

Boris

Crystallized and dispersed
Ah, the sigh
Crystallized and dispersed
Ah, the sigh
Freeze, in a second
Freeze, even the words
Crystallized and dispersed
Ah, the sigh
"Where has it gone?"
He said to me
The world stands still, crystallized
Crystallized and dispersed
Ah, the sigh
"Where has it gone?"

He said to me
Another dialogue that is broken up
Penetrated by the icicle that is sharp
Crystallized and dispersed
Ah, the sigh
Ah, stillness
We are alone
When it's gone, you don't expect
That it's gone for good; it will be back in time
Icicle, ah...
