

# One In A Million

Bosson

You're one in a million  
Oh  
Now  
You're one in a million  
Oh

Sometimes love can hit you every day  
Sometimes you can fall for everyone you see  
But only one can really make me stay  
A sign from the sky  
Said to me

[Chorus]  
You're one in a million  
You're once in a lifetime  
You made me discover one of the stars above us  
You're one in a million  
You're once in a lifetime  
You made me discover one of the stars above us

I've been looking for that special one  
And I've been searching for someone to give my love  
And when I thought that all the hope was gone  
A smile, there you were and I was gone

I always will remember how I felt that day  
A feeling indescribable to me  
Yeah  
I always knew there was an answer for my prayer  
And you, you're the one for me

[Chorus x 2]

In the beginning I was cool and everything was possible  
They tried to catch me but it was impossible  
No one could hurt me it was my game  
Until I met you baby and you were the same  
And when you didn't want me I wanted you because  
The funny thing about it is I liked the show  
I like it when its difficult  
I like it when its hard  
Then you know its worth it  
That you found your heart

[Chorus x 2]

You're one in a million  
Oh  
You're one in a million
