

Liquid

Boston Manor

(Because I'm floating out to sea
I'm asleep and I'm liquid
I'm drifting in a dream
Just for me, and I'm liquid)

I'm a spectre in your dreams
I'm drowning in your sleep
I'm divided

I don't know who I'm supposed to be
I'm different when I'm me
I just can't fight it

I'm gonna sink through the floorboards
And into your head
Cause I am liquid

Because I'm floating out to sea
I'm asleep and I'm liquid
I'm drifting in a dream
Just for me, and I'm liquid, and I'm liquid

I'm melting down into your mouth
I'm doing what I'm told
Cause I am liquid

I'll paint a picture just for you
Cause that's what people do
I'm so conflicted

I'd sink through the floorboards
And onto your lips
Cause I am liquid

Because I'm floating out to sea
I'm asleep and I'm liquid
I'm drifting in a dream
Just for me, and I'm liquid, and I'm liquid

What can I say?
I'm floating away
I'm thinking of changing my name
But I'm different when I'm with you
Different when I'm with you
I thought I was done
I've only begun
To get to the person I was
I'm going, I'm going, I'm going, I'm going, I'm gone

(Because I'm floating out to sea
I'm asleep and I'm liquid
I'm drifting in a dream
Just for me, and I'm liquid)

Because I'm floating out to sea
I'm asleep and I'm liquid
I'm drifting in a dream

Just for me, and I'm liquid

Because I'm floating out to sea (I'm melting down into your mouth)
I'm asleep and I'm liquid (I'm doing what I'm told)
(Cause I am liquid)
I'm drifting in a dream (I'll paint a picture just for you)
Just for me, and I'm liquid (Cause that's what people do)
(I'm so conflicted, and I'm liquid)
