

My Destination

Boston

And feeling the way I do
Wouldn't last a mile without you
When I'm losing the way
The things that you say take me there
My destination, my destination
Is by your side, right by your side

And I, I've taken so long, I know
Never had so far to go
It's not where you can be
It's what you can see that takes you there
Your destination, your destination
It's here inside, right here inside
