

# Ohio (come Back To Texas)

## Bowling For Soup

1. She said, she needed a break  
A little time to think  
But then she went to Cleveland  
With some guy named Leeland  
That she met at the bank  
  
There's nothing wrong with Ohio  
Except the snow and the rain  
I really like Drew Carey  
And I'd love to see the Rock n' Rock Hall of Fame

X: So when you're done doing whatever  
And when you're through doing whoever  
You know, Denton County will be  
right here waiting for you

R: Come back to Texas  
It's just not the same since you went away  
Before you lose your accent  
And forget all about the Lonestar State  
There's a seat for you at the rodeo  
And I've got every slow dance saved  
Besides, the Mexican food sucks  
north of here anyway

2. I think I made a mistake  
It's not that easy to take  
She went to make a deposit  
Then she cleaned out her closet  
Guess I'll sit here and wait  
  
For her to come back home (I wish you'd come back home)  
It shouldn't take very long (so long, so long)  
I bet she misses the sunrise  
And Mrs. Baird fruit pies, but I could be wrong

X: So when you're done...

R: Come back to Texas  
It's just not the same since you went away

I bet you missed your accent  
And drove right on through the Lonestar State  
There's a seat for you at the rodeo  
And I've got every slow dance saved  
Besides, the Mexican food sucks  
north of here anyway

Besides, the Mexican food sucks
