Boy George

Last night my mother said to me  
I'm sick of making history  
There's got to be another way  
But we've got all these bills to pay  
And they ain't just gonna go away  
Like a factory  
about to be shut down  
Sold - did you hear it - I'm Sold  
Sold - did you hear it - I'm Sold  
You're gonna like this one - I do  
See if Mr Botha was a man  
He'd tip the hat  
he'd pass the can  
But he dont talk for you and me  
I saw him on the BBC  
His eyes looked like a factory  
With the lights out  
About to be shut down  
Sold - did you hear it - I'm Sold  
Sold - did you hear it - I'm Sold  
Last night my mother said to me  
I'm sick of making history  
There's got to be another way  
for you to be  
Last night my mother said to me  
When you grow up  
what will you be  
If not the white minority  
At least protect me  
I'm not a factory about to be shut down
