Civil Sin

Boy Kill Boy

Here's to the gods and their seats on high Nobody knows anything Here's to the flags in their guilty sky Nobody says anything

This aside, this coast is clear It doesn't help, it doesn't help me

Who am I? Only One more life that you can owe me It's civilised, it's civilised, it's civil sin Who am I? Only One more lie so you can own me It's civilised, it's civil sin

Here's to the crown in their Sunday best Nobody knows anything Here's to the crowd, slaves who never rest Nobody says anything

And this aside, this coast is clear Until one man buys the whole show And this aside, my mind is clear It doesn't help, it doesn't help me

Who am I? Only One more life that you can owe me It's civilised, it's civilised, it's civil sin Who am I? Only One more lie so you can own me It's civilised, it's civil sin
