Rolling In The Deep

Boyce Avenue

We could have had it all Ohhh rolling in the deep

There's a fire starting in my heart Reaching a fever pitch and it's bringing me out the dark Finally, I can see you crystal clear Go head and sell me out and I'll lay your ship bare

See how I'll leave with every piece of you Don't underestimate the things that i will do There's a fire starting in my heart Reaching a fever pitch and it's bringing me out the dark

The scars of your love remind me of us They keep me thinking that we almost had it all The scars of your love, they leave me breathless I can't help feeling

We could have had it all Rolling in the deep You had my heart inside of your hand And you played it to the beat

Baby, I have no story to be told But I've heard one of you and I'm gonna make your head burn Think of me in the depths of your despair Making a home down there, as mine sure won't be shared

The scars of your love remind me of us They keep me thinking that we almost had it all The scars of your love, they leave me breathless I can't help feeling

We could have had it all Rolling in the deep You had my heart inside of your hand And you played it to the beat

We could have had it all Rolling in the deep You had my heart inside of your hand But you played it with a beating

Throw your soul through every open door Count your blessings to find what you look for Turn my sorrow into treasured gold You pay me back in kind and reap just what you sow

We could have had it all We could have had it all It all, it all, it all

We could have had it all Rolling in the deep You had my heart inside of your hand And you played it to the beat Could have had it all Rolling in the deep You had my heart inside of your hand But you played it You played it You played it You played it to the beat
