

Speed Limit

Boyce Avenue

All your life you've tried to fill a void, oh
Fake a smile but couldn't find the joy, no
They slow you down just to make sure you fit in, oh
But they were wrong cause I wouldn't change a thing, no

If you want somebody to love you
You know I will
If you want somebody to need you
You know I will

So baby, get up
Come on, get in the fast lane
You are the one
That's got a hold on me
I say we got to live our lives
Yeah with no speed limit

Get up, come on
You make my heart race
You are the one
That keeps the pace I need
I say we got to live our lives
Yeah with no speed limit
With no speed limit

Behind your walls I fell for the girl in pain, oh
So all along your struggles were not in vain, oh

If you want somebody to love you
You know I will
If you want somebody to need you
I always will

So baby, get up
Come on, get in the fast lane
You are the one
That's got a hold on me
I say we got to live our lives
Yeah with no speed limit

Get up, come on
You make my heart race
You are the one
That keeps the pace I need
I say we got to live our lives
Yeah with no speed limit
(If you want somebody and need somebody to love)
There's no limit, oh
There's no limit
(If you want somebody and need somebody to love)
There's no limit, oh
There's no speed limit

There's no speed limit
