

It's The Same Old Song/Reach Out I'll Be There

Boyz II Men

You're sweet as a honey bee
But like a honey bee stings
You've gone and left my heart in pain
All you left is our favorite song
The one we danced to all night long
It used to bring sweet memories
Of a tender love that used to be

Now it's the same old song
But with a different meaning
Since you been gone
It's the same old song
But with a different meaning
Since you been gone

A sentimental fool am I
to hear a old love song
And wanna cry
But the melody keeps haunting me
Reminding me how in love we used to be
Keep hearing the part that used to touch my heart
Saying together forever
Breaking up never

It's the same old song
But with a different meaning
Since you been gone
It's the same old song
But with a different meaning
Since you been gone

(Reach out) come on girl reach on out for me
(Reach out) Reach on out for me baby

Now if you feel that you can't go on (can't go on)
Because all of your hope is gone (all your hope is gone)
And your life is filled with much confusion (much confusion)
Until happiness is just an illusion (happiness is just an illusion)
And your world around is crumbling down,
darlin reach out come on girl reach on out for me
reach out reach out for me

I'll be there with a love that will shelter you
I'll be there with a love that will see you through

When you feel lost and about to give up (to give up)
Cause your life just ain't good enough (just ain't good enough)
And your feel the world has grown cold (has grown cold)
And your drifting out all on your own (drifting out on your own)
And you need a hand to hold, darlin
reach out, reach out, reach out for me baby
reach out reach out

I'll be there to love and comfort you
And I'll be there to cherish and care for you

And I'll be there to always see you through

And I'll be there to love and comfort you
