

# Believe in Me

Boyzone

I'm been asking all the time  
Could I be blind  
Hey, I'm kinda feeling  
That there's just one reason why  
Love won't die  
Hey, I'm kinda pleading  
Stay by my side  
Cos I can't eat, can't sleep  
You're the only thing I care about  
When you smile, you're so sweet  
If I could tell you  
The way I feel..

Believe in me, and you'll see  
That I'm down on my knees, baby  
Please, believe and you'll see  
That my life is yours

All the mountains that we climb  
Day at a time  
I promise you no heartache  
Nothing left to hide  
Swallow my pride  
Guess you're believing  
I'm turning the tide

Cos I can't eat, can't sleep  
You're the only thing I care about  
When you smile, you're so sweet  
If I could tell you  
The way I feel..

Believe in me, and you'll see  
That I'm down on my knees, baby  
Please, believe and you'll see  
That I'm down on my knees, baby  
Hoping that you will  
Believe in me, and you'll see  
That I'm down on my knees, baby  
Please, believe and you'll see  
That I'm down on my knees, baby...
