So you, standing at the door Like in sunshine Angel Christian White. This like I have known you all my life

Ref.

I feel my empty heart is burning I feel the fire deep inside So don't you ever keep me waiting You are just right on time

2. Nothing, nothing seems the same don't worry, oh now I'm here to stay

Ref.

I feel my empty heart is burning I feel the fire deep inside So don't you ever keep me waiting You are just right on time (2x)

So you...
