

# Homesick

Bracket

I always feel out out of place  
When I'm away from home  
I don't want to go away  
To somewhere I don't know

I should not go far away

I am not feeling well  
When will it all subside  
If I don't get my way  
I will commit suicide

How much further do I have to go (3x)

I'm not safe, I'm not sound  
When I don't know where I'm at  
I can't sleep, I can't eat  
When I think of going back
