

## Waste of TV

Brad Sucks

Here's the plan baby i don't wanna do very much  
But if the death toll keeps on rising you can come get me up  
It's superficial but i'm trying not worry about surviving the night  
All the good moms are crying "they show dying in a violent light"  
I'm all right don't you worry about me  
I'm all right and a waste of TV  
Gonna pack it up put my ear to the ground drag it on down to LA  
Got a head full of ideas gonna make some deals with some idiots  
for people with no brains  
Oh i'm sympathetic and not lying but i can't let a little hate  
crime ruin my night  
One of these god lovin' loveable young men is gonna take home one  
of these homelands tonight  
I'm all right don't you worry about me  
I'm all right and a waste of TV  
I know i know i know it isn't so bad  
I know i know i know it isn't so bad  
I know i know i know it's just a waste of time
