Brain Drill

Basing all your beliefs
on a false god
no proof of being (x2)

Blind, to the ways of reality
mind, replaced to worship obscurity

Forced to believe unreal prophets
following the stories, not the truth (x2)

Raping the children brainwashed by a scheme
murdering innocent based on a theme (x)

Ignorance spreads like a plague
infecting billions with stories so vague

This invention created by man
has quickly swept across the land

Steadfast horror

Raping the children brainwashed by a scheme
murdering innocent based on a theme (x2)

Pulled into an ideology

Gathering sheep that are forced to obey
deceitful cult feeds them lies as they pray (x2)

No reasoning with the already gone (x2)

Gathering sheep that are forced to obey
deceitful cult feeds them lies as they pray

Self inflicted explosions
liquefy men women and children
brought on by the promise of eternal life
Preaching peace then bringing
murderous strife

Executing all that oppose his name
forever results in ending the same

Raping the children brainwashed by a scheme
murdering innocent based on a theme (x2)
