

Desperate Times Desperate Means

Brand New Sin

(Verse 1)

Fits of rage
Fits of fury
What's the consequences?
Who's the jury?
Why did you bring that out in me?
Don't you know or, couldn't you see?

(Verse 2)

Time to run
Time to hide
You're just an ignorant punk
Who ain't got no pride
Why did you think you could destroy me?
Desperate times, calls for desperate means

(Chorus)

It may be wrong
It may be right
Whatever it is, whatever it takes
Was it worth a fight?

- Verse 2
- Chorus

Why did you think you could destroy me?
Desperate times, calls for desperate means

- Solo
- Chorus 2x

Worth a fight?
Worth a fight?
Whatever it takes
