

# A Capella (Something's Missing)

Brandy

Boom, clap! (6x)  
Clap!

I'm feeling such a vacancy, I don't feel whole (oh, oh)  
Wish I can put my finger on it but I don't know what it is  
I looked in every place I could see  
Trying to find the missing part of me  
I can't explain this feeling (feeling)

Feels like I'm on a long journey going in circles  
And I ain't even going nowhere  
I'm lost in the middle of nowhere  
Something is missing  
Can't somebody help me?  
Something is missing  
I'm missing a part of me  
Something is missing  
Show me what it is  
Show me what's missing  
Missing

Ooh ooh ooh ooh  
Boom, clap! (4x)  
Clap!

I'm in a dark room in a bad position  
I'm looking for the light to restore my vision (vision)  
'Cause I'm walking blind, I keep falling down, I can't find my way  
I can't explain this feeling

Feels like I'm on a long journey going in circles  
And I ain't even going nowhere  
I'm lost in the middle of nowhere  
Something is missing  
Can't somebody help me?  
Something is missing  
I'm missing a part of me  
Something is missing  
Show me what it is  
Show me what's missing  
Missing

Feels like I'm leaving something behind  
Can't think straight, something's on my mind  
Can't pay attention, 'cause I'm all so broke  
Can't find the words, 'cause they all been spoke  
The answer's gonna be right in my face (oh, oh)  
What I gotta do to fill this empty space? Ohh

Feels like I'm on a long journey going in circles (circles)  
And I ain't even going nowhere  
I'm lost in the middle of nowhere  
Something is missing  
Can't somebody help me?  
Something is missing  
I'm missing a part of me  
Something is missing (oh)

Show me what it is  
Show me what it is

Feels like I'm on a long journey going in circles
